IPSEA - EHC Plan Masterclass

This one-day training has been developed as a guide for parents who already have an EHC plan in place for their child or young person

From looking at the information a plan should contain, through to how to achieve that through annual reviews, re-assessments, and appeals to the SEND Tribunal, this training day will help families to navigate the system.

This training day covers:

- **What should an EHC plan look like?**
- **What information should it contain?**
- **What to do if you are not happy with an EHC plan**
- **Using the annual review**
- **Requesting re-assessment**
- **How to appeal to the Special Educational Needs and Disability Tribunal**
